BÉARNAISE, BONE MARROW, RED JON	3
--	---

We hunt for deer on the tops of mountains – miles from civilisation as you know it! When it's plentiful we eat well & when numbers dwindle we delight in other dishes. We hope you will understand if the amount of venison we have in stock varies.

All our venison & game is wild & comes from our family in Ardgay. The rest of our produce comes from a handful of friends, neighbouring estates & farms.

FOOD PRODUCERS

VENISON - RED, ROE, SIKA DEER

Ruaridh Waugh
Ardgay Game, Bonar Bridge
